

Renew your MMP identification card

What do I need?

Like your original MMP registration, you must have the following documentation ready for upload:

Photograph for your Identification card

You must be facing forward against a plain white or off-white background and taken from the shoulders up. You cannot be wearing glasses or a hat.

Government Photo ID

Current or recently expired MMP identification card (if your address is unchanged), **OR**

Current NJ Driver's License, **OR**

United States passport, current or expired less than 3 years, **OR**

Click the following link for other acceptable ID's

http://nj.gov/health/medicalmarijuana/pat_reg.shtml

Proof of NJ residency

A recent utility bill issued to your current residence, **OR**

A recent savings or checking account statement from your bank, **OR**

First-class mail received from any federal, state or local government agency within the past six months, **OR**

Click the following link for other acceptable documents

http://nj.gov/health/medicalmarijuana/pat_reg.shtml

Current proof of NJ government assistance (optional)

NJ Medicaid card, **OR**

Food stamps card, **OR**

Temporary disability benefits award letter, **OR**

Supplemental Security income benefits award letter, **OR**

Social Security Disability benefits award letter.

Click the following link to view all acceptable samples:

<https://njmmp.nj.gov/njmmp/images/GovAsstSamples.pdf>

If you have a caregiver or if you plan on adding one, they must also have documents ready to scan.

Now that your documents are scanned into your computer, have your MMP identification card ready to begin the renewal process.

Please open and read the accompanied PDF file titled:

Where do I start?
